SHORT ANSWER

11. ANS:
It requires study so that the designer is familiar with costumes and customs belonging to different periods of history. Designers must know how people dressed for many different occasions and how they moved in their clothes.
- PTS: 5 REF: Unit Five: Technical Theatre TOP: Chapter 21: Costumes
KEY: Costumes
12. ANS:
It requires careful planning because many different pieces must be obtained by several different means (pull, rent, buy, borrow, build). They must be modified for use in ways that seem authentic.
